All Manuals TimeForge: Labor Management, Scheduling, and Attendance. Managing the work force at restaurants, retail stores, and other businesses with part-time employees will sap manager time, and drain valuable profits from the business. Welcome To The Restaurant Manager's Office. The Manager's Office is designed to be a free resource for professional restaurant managers and restaurant owners to learn the skills that will help them advance their careers and improve the profitability of their restaurants. I have spent most of my restaurant career working in corporate restaurants where the notion of a shift drink was unthinkable. In fact, my first exposure to the term was in a restaurant management training manual where it was explained that providing shift drinks was expressly prohibited.
