Antique International / Farmall Tractor: Farmall Cub [Farmall Cub Parts] [Return to the Shed] The Farmall Cub was introduced in 1947 and had the same Culti-Vision feature as the Farmall A. Our distributor cap fits John Deere tractors like the 520-730 that use the Delco Distributors with the clip held cap through 1963 tractors. This shiny cap not only looks as good as the new original cap, it also performs better because this cap doesn't "Chalk" like the original.
