New Holland 276 baler/ thrower - posted in Machinery: So last hay season I bought a new baler, a new holland 276, sure the hell beats using an allis Chalmers 303! Only real bad thing Ive noticed about this baler is that it chews the strings off in the thrower. The model # is 54A, and from the research that I have done it appears that this is the thrower for a 273 and 275. Most dealers wait until they are slow to update their online used equipment listings making the data several days or weeks out of date. Here at Messicks we do things differently, our online listings are LIVE. As soon as our salesmen learn about a piece you can to.
