The Waring Commercial 6001X - CE380 will quickly and easily extract pulp-free juice from vegetables, fruits and even herbs. The juicer is exceptionally efficient, offers a great performance and is highly reliable. It features easy to dismantle, dishwasher safe parts and a wipe clean polycarbonate casing. After more than 38 hours of researching and testing, juicing more than 53 pounds of citrus, and conducting a four-person blind tasting, we think the Proctor Silex Alex's Lemonade Stand Citrus Juicer is the best machine for making the occasional batch of OJ at home. Compared with models 10 times the price, it produced as much juice (or more juice), and it has a higher-quality build than ...
